FOREWORD

Where the Ridge Road forms a border
For the lake and sky,
Proudly stands our Alma Mater
Dear old Webster High.

chorus
Flag of WHS float for aye,
Old Webster High, o'er thee;
May thy sons be leal and loyal
To thy memory.

When the evening twilight deepens
And the shadows fall,
Lingers long the golden sunset
On thy western wall.

The words of our Alma Mater, the school seal, the map of the Ridge Road are all symbolic of the traditions of Webster Central School which have played such an important part in our education.

Each of us who has walked the long hallways or trudged up the two flights of stairs is steeped in these traditions and is imbued with a sense of loyalty to his Alma Mater.

It is because of this that we, the class of 1956, have chosen to use life along the Ridge and the stirring words of our Alma Mater as a theme for this yearbook.

WE HONOR

We, the class of 1956, dedicate this book to one who has been very important in our school life, one who has helped us to make decisions which will be of great consequence for us in the future.

Despite the fact that she works behind the scenes, everyone knows Mrs. Ruth Yackel and is aware that her sincere interest in each pupil makes her indispensable in planning a school career.

From the day of our freshman interview when we first saw her warm smile, to our last senior interview when further education was discussed, she has assisted each of us in choosing his subjects and has, on many occasions, steered us in the right direction. Her advice on which and how many activities we could afford to participate in has often been reflected in our marks. Her sponsoring of sportsmanship brotherhood illustrates her interest in the calibre of students which Webster High turns out.

It is Mrs. Yackel who has introduced each of us to the requirements, advantages and scholarship opportunities of various colleges and who has pointed out to us the rewards and satisfactions of various vocational fields. Because of its bearing on our life in school and its influence on our future success, her counsel will long be remembered.

"When the evening twilight deepens
And the shadows fall . . .

Mrs. Mary Quinn

Mr. Irving Farnham
President

Foresight, wisdom, and patience are qualities found in our BOARD OF EDUCATION.

To the Board of Education of the Webster Central School District, the people of this community have entrusted the welfare of their most priceless possession—their children. To this tremendous vote of confidence, the class of 1956 wishes to add its tribute.

The task which faces the Board is no simple one; for theirs is the job of providing the educational facilities to meet the demands of an ever-increasing school population. Classrooms, teachers, busses, buildings—all must be envisaged by the Board of Education before they can become a reality.

Progress in recent years has been noteworthy, and problems for the future are plentiful. With the voters of Webster, however, we are confident that the Board of Education will continue to solve these problems with courage and resourcefulness.

Mr. Stanley Martin

SECRETARIES

Every executive office would be in a muddle if it weren't for a group of efficient secretaries who work together to help make things run smoothly. So it is at WCS.

Only through the toils of our secretaries is all the work done which keeps us from being bogged down in a sea of routine paperwork. We hail our efficient office workers for the wonderful job they are doing.

Mr. Loren Abrams

Mrs. D. Abbott, Mrs. V. Berg, Mrs. T. Van Alstyne, Mrs. L. Cornwall, Mrs. A. Taber, Mrs. M. Zeitler, Mrs. J. McCreary.

Our efficient, hard-working SECRETARIES are an important part of the administration.

Mr. John Thorpe

Mr. Harold Brennan

Mr. Clinton Ballard

Many important decisions must be made every day by Supervising Principal ROBERT L. THOMAS . . .

As with a ship at sea, the fate of the crew is in the hands of their skipper, so members of the class of 1956 have been guided safely through the channels of learning into the fair harbor of graduation by the vigilance of their captain, Supervising Principal Robert L. Thomas.

A man whose ability and experience make him an ideal helmsman in troubled educational waters, Mr. Thomas has met the weighty problems that confront educators today, and has determined the policies which have kept the Good Ship WCS on her true course.

We are proud to know that our education bears the mark of his clear vision and fine seamanship.

. . . and Principal of the High School RALPH W. MARTIN.

Constantly on hand to guide us away from the shoals and back into the main current of educational progress, Mr. Ralph W. Martin, principal of the high school, has kept us on our chartered course by his understanding counsel.

Many are the times when his patient guidance has reconciled us with our courses, with our teachers, and even with ourselves. With his help we have been able to see our goal more clearly and to steer more accurately toward it.

It makes us humble to realize how devotedly our administrators have labored that we might be successful.

The HISTORY of our CLASS . . .

As 116 seniors, garbed in caps and gowns, sit on the Webster Central stage and listen to the 1956 valedictorian, each in his own mind silently reflects on the past four years at WCS.

The audience blurs and, in its place, the graduate sees that fateful day in September of 1952 when 118 bewildered freshmen funneled from all directions down the Ridge and through the open doors of their Alma Mater for their first year in high school.

Back each goes, in his memory, to those first few days of registration and getting organized, and then to the election, a few weeks later, of Tom Mallen as class president. The Frosh Frolic stands out as the first class dance with "Music, Music, Music" as its scintillating theme.

Another active year under the guidance of the

STUDENT COUNCIL

With the election of Sally Jenkins as president and Curtis Higley as vice-president after a rousing campaign in the fall, the student council settled down to a very busy year.

To increase school spirit, cabinet members sold tickets for sporting events in homerooms on a competitive basis. The winning homeroom took possession of a trophy for a two-week period.

Under the direction of Miss Marie Stone and Mr. Norman Castor, the constitution was revised and rewritten.

During the year delegations were sent to conferences of the Monroe County Association of Student Councils and to the Section Twelve Confab.

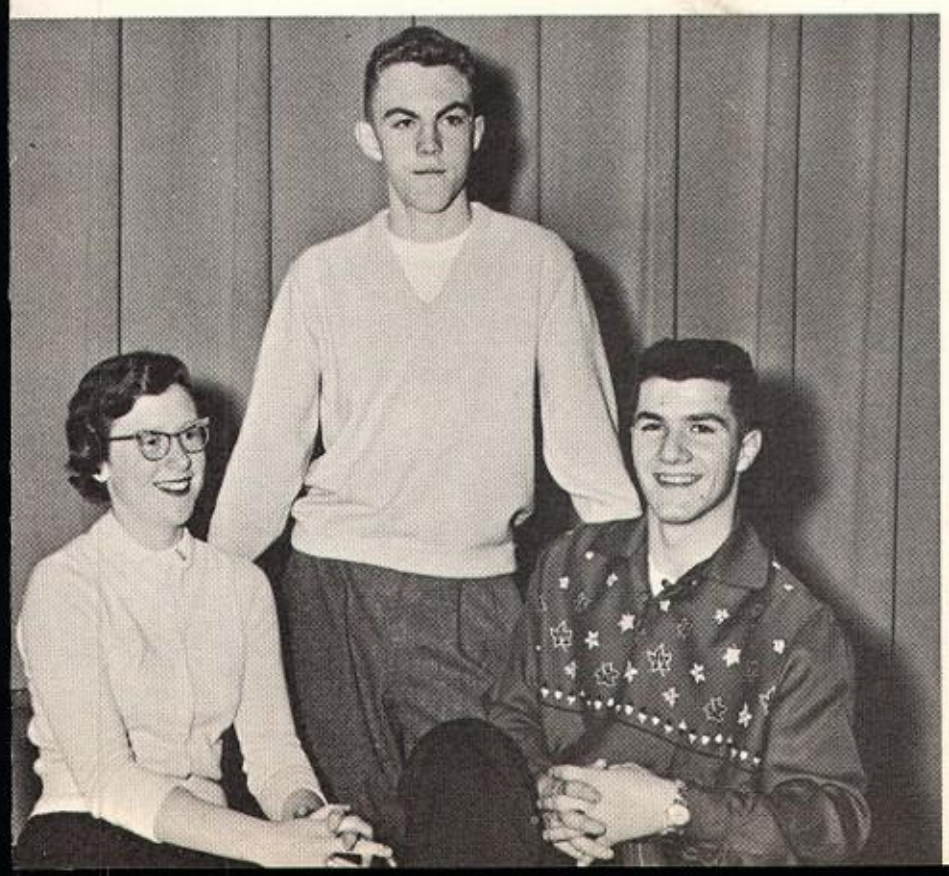
The Honor Society of the Junior and Senior Classes presents the SPORTSMANSHIP BROTHERHOOD

OFFICERS

Standing: D. Sweet. *Sitting*: S. Jenkins, G. Mayo.



November 16 was the anixiously awaited day of the "tapping" of new members for the WCS honor society.

Because of the growth in the school population, the brotherhood has changed its constitution to admit up to ten per cent of the juniors class instead of the usual ten students as it has in past years. Twelve juniors were chosen on the basis of their scholastic average, participation in extra-curricular activities and good sportsmanship. Officers were chosen at a dinner held for the brotherhood by the home economics club.

Helen Fuchs, Terry Van Houten, James Schafer, and Gale Martin were in charge of checking coats at basketball games. A sports mixer was held in March to honor the cheerleaders and the basketball, football, and wrestling teams. Climax of the year was the annual awards banquet held in honor of outstanding students in athletics and in other phases of school life.

Probably more time and overtime goes into work on the REVEILLE than any other activity.

This 1956 Reveille is the proud accomplishment of an eager group of about 40 seniors who were led, guided, and directed by Gail Sherrell, editor-in-chief. Only through the constant efforts and through the cooperation of the entire staff did this yearbook come out on time in its planned form.

The various phases of the book's production, photography, art, writing, advertising, typing and circulation, were handled by six efficient committees, each with its own chairman. The literary committee, under Nils Wagenhals, contributed the written matter such as grinds, will, dedication, and accounts of each activity. All of the art work was done by Carol Bundschuh and her staff of artists while the photography committee, under Diane Stumpf, scheduled all the pictures and assisted the photographer in arranging the groups. Advertising space was sold by Sally Jenkins' committee; Judy Hook's typists chalked up many hours of preparing copy for the printer. The circulation department, headed by Gail Compson, took care of the selling and distribution of the finished product.

Only through the untiring efforts of advisers Miss Esther Dunn, Miss Kathleen Goetten, and Miss Claudia Wheeler, was this 1956 Reveille possible. Their experienced guidance and valuable advice proved of inestimable value to the staff.

Cooperation among editors, reporters, and typists helps keep the COURIER informative and interesting.

The hard-working Courier Staff plugged along throughout the year, managing to turn out ten monthly issues of the student newspaper, each one brimming with news, features, and editorials.

Editor Nils Wagenhals stood at the helm guiding the rest of the staff, writing, and rewriting while managing-editor Betty Clark also worked on proofreading, making up the dummy, and other details. Associate editor Carol Bundschuh's duties included feature writing, distribution, and headline creation while business manager Janet Sweet handled things financially, collecting all the ad money and winning new advertisers for the cause.

In the boys' sports department, Cory Clark and Scott Lyng, as editors, were responsible for the columns on football, basketball, baseball, and wrestling, while Anne Lasher and Sherry Putnam handled girls' sports, writing up all the playdays and girls' intramurals.

Without the always present help of Miss Kathleen Goetten, staff adviser, the Courier would never have been possible in 1956 for she was the one who made sure that the deadlines were met and that everything was carried out as planned.

Yes, it was a good year for the WCS Courier with assemblies, elections, student council, and sports of all kinds furnishing ready material for stories depicting life along the Ridge. Short stories, long stories, features, serials, columns, editorials, and quizzes, all were produced by Webster's own and were diligently recorded in the Courier.

The girls in LIBRARY CLUB strive to fulfill their "Service" theme.

Working under the theme, "The Service Year", the girls of library club this year gave 1368 hours of service to the school and community through the library.

During their work periods members put away books, worked at the desk, kept the shelves in order, and set up book displays.

Meetings were filled with talks by interesting and prominent persons, book discussions, and planning for the events of the club.

Social activities included the annual tea for club mothers and faculty members, Halloween and Christmas parties, selling candy at basketball games, and the house-party in May.

Many students participate in the activities of the LATIN CLUB . . .

Venatores Verborum have enjoyed another successful year under the tutelage of Miss Marie Stone, adviser. The first item on the agenda for this past year was the initiation of new members at a special supper meeting, where all "would-be" Romans were required to perform various feats for the approval of seasoned Latin clubbers. The election of officers came next, and members chose for their leaders: Susan Simon, Gail McGuire, consuls; Elaine Hatt, scriba; George LePine, Stuart Rauber, Richard Webster, quaestors; Betty Clark, James King, Linda Franks, aediles; Lynda Kinkead, praeco; and Julie Everett, censor. The year came to a climax in May with the annual Roman banquet when members of the faculty and Ciceroites were included on the guest list.

Under the leadership of president Juanita Hiler, vice-president Josefa Bennett, secretary Charela Van Eenwyck, treasurer Carlos Higley, and program chairmen Courado Newton and Clara Campbell, Spanish club has provided a good time for all of its members. The fall initiation, both formal and informal, was held after the first ten weeks.

Spaniards enjoyed their Christmas party in December with a pinata and Spanish Christmas carols. Pan American Day was observed on April 14. Miss Stone, who was guest speaker on that occasion, told of her recent trip to South America. The club's program ended in June with the annual picnic.

Many artists blossom on the Ridge and enjoy fun together in the ART CLUB.

To promote a wider interest in various artists and their styles of painting, art clubbers met every other Wednesday to hear reports on famous artists. Under the direction of president Carol Bundschuh, members also sold picture post cards of the school, visited Sibley's Scholastic Art Exhibit, and held a June picnic.

A conference on teenage problems in November and a spring carnival highlighted the programs. Winding up the year was an April fashion show sponsored by Sibley's, followed by a dance.

1956 saw the restoration at WCS of the dramatics club, an organization which had been out of existence for several years.

With Mrs. Vivian Chandler as adviser, an enthusiastic group banded together under the name of "Curtain Callers".

The Callers' first production was a one-act play called "If Men Played Cards as Women Do". This all-male comedy was followed soon after by a three-act play.

With its first year tucked safely behind the maroon curtains of WCS, the Curtain Callers go on towards greater and greater fame.

The DRAMATICS CLUB produces drama at its very best.

"Take a letter, please" holds no fear for members of the COMMERCIAL CLUB.

The commercial club, a well-established organization in Webster Central, settled down to a year of accomplishment under the direction of Miss Mary Doane, a newcomer to the WCS faculty.

From initiation ceremonies in September till the picnic in June, members enjoyed a well-balanced combination of work and play. A Christmas party and a pin-selling contest highlighted the successful year.

Cookin', sewin', and such keep the HOME ECONOMICS CLUB very busy.

Webster's home economics club, under the guidance of its adviser, Mrs. Helen Barton, came through another productive year spiced with a number of special events.

In the fall of '55 the annual initiation banquet was held followed by the spring dance with "Oklahoma" as its theme. The WCS gym was decorated with a western motif to fit the theme and more than a hundred couples attended.

On May 9, the yearly mothers and daughters' banquet was held with mothers of the home ec girls honored as special guests.

Two meetings of the Future Homemakers of America were attended this year by WCS girls. One in the fall saw the clubbers traveling to Phelps; in the spring a trip to the rally at Sodus was taken.

Following an active summer in softball, an annual picnic at Stoneybrook Park, and trips to Alfred and Morrisville, the Webster boys took five firsts out of seven judging contests at the Monroe County Fair and won the right to represent Monroe County at the State Fair in four of the five state contests. Three of the four teams finished second; vegetable crops, poultry judging and egg grading.

First-term activities consisted of initiation of 24 new members in October, a leadership training rally in November, Christmas party with the home ec girls in December, the horticulture show in January and basketball throughout the winter months.

Second-half activities included the poultry show at Buffalo, chapter meeting contest, fathers and sons' banquet, county and state conventions, and a local seed-selling contest.

The curtain rose on a play of college life and a first love affair, on December 8, when the senior class presented Katharine Kavanaugh's three-act comedy, *Girl Shy*, on the WCS stage.

Under the expert direction of Mrs. Marion Powell and Mrs. Vivian Chandler, an excellent cast and crew delighted their audience with a brilliant production.

Tom Arsdale had always been girl shy before he met Babs Sanford. Now that he had found the girl of his choice, he had to persuade his father that he was no longer interested in Sylvia Webster, the girl back home. The hilarious complications that developed included everything from recitations about white goats to an actual kidnapping.

The riotous results left the audience in stitches, and as everyone agreed, the play was a smashing success.

Will agree with the cast of the JUNIOR PLAY.

"Time Out For Ginger", the smash hit junior play, helped to prove once and for all that girls should never specialize in football.

With Brenda Young as the irrepressible Ginger and Bill Tolf and Sonja Cudebec, Mr. and Mrs. Carol, the production broke up the audience repeatedly with gales of laughter.

Ginger brought the house down as she demonstrated her blocking abilities to what must have been a football-minded crowd.

Student director Anne Lasher and prompter Mike Spencer aided the cast in turning out the production which was led by directors Miss Mary Davis and Mrs. Helen Barton.

DEBATING CLUB

Mr. Stephen Castor, a newcomer to the WCS faculty, has led the debating club through its first season of existence in Webster in an effort to aid students who wish to improve their powers of speech and logical reasoning.

The club, with Richard Webster as temporary chairman, was broken up into teams of two members each which debated in an elimination tournament.

Each hour-long debate session discussed the topic: Resolved—that governmental subsidies should be granted according to need to high school graduates who qualify for additional training.

Even from the Ridge Road the large and beautiful cafeteria of WCS can be seen. After school hours it is quiet and empty. Quite to the contrary is the noon hour when the whole school rushes in and out. How these few women, under the direction of Mrs. Ada Thorpe, can feed so many so well in such a short time is a puzzle to us all.

Along the Ridge stands our beautiful Alma Mater—spotless, sparkling and clean. It is kept this way by our friendly custodians under the direction of Mr. Joseph Skudlark. Fourteen peppy girls sparked the WCS cheering section this year. Working through rooters' club, seven varsity and seven jay-vee cheerleaders sought to help the whole school learn the new cheers. They sponsored the busses which the school furnished for away games and helped to collect the riders' nickels and to keep order.

VARSITY

The varsity cheering squad, led by captain Adele Wheeler, introduced many new cheers at the games such as: "Salute to the Ridgemen" and "Be calm, Be cool, and Be collected". A conference at Central Square, New York, last fall, helped these cheerleaders to plan and conduct pep rallies and to develop new techniques.

As the season was about to open, the Ridgemen entertained the Clyde gridders, who had beaten Webster for six straight years, and, as if forecasting the season ahead, Clyde whipped the Cochi-men, 13-0. The first league game was scheduled against Canandaigua, long a stalward in the CWC, and after a tough fight the Lakesiders eked out a 7-6 win.

The tables were turned the next week as the Fairport Reds were bowled over, 7-6, but in the next game, aginst a tough East Rochester squad, the Ridgemen succumbed, 12-6. The following two contests were won, 14-6 against newcomer, LeRoy, and 26-13 on Kleinhammer's miraculous runs over Irondequoit, but when Cochi's charges traveled to the stronghold at Newark, they suffered a 13-6 defeat. The last game of the season, against league-leader Brighton, was also lost as the Barons squeezed out a 14-13 win.

The 1955 football season at WCS was one of surprises and fun despite the fact that it ended with a standing in third place after four wins and three losses in league play.

One couldn't call it a bad season simply because the Ridgemen turned up with some marvelous performances against the strongest squads in the conference.

Webster's jay-vee football squad, coached by Mr. Robert Terbush, ended up with a sort of mixed-up season as the squad finished on two wins, a tie, and three losses.

The "little Ridgemen" started out well enough as Brighton became the first team to succumb to the blows of Webster's front line. Fairport, the traditional rival, proved Webster's downfall in the next game, but East Rochester was beaten in the third game of the year to even the score.

Irondequoit's Indians came next to hand the Ridgemen their first and only tie game of the season but McQuaid Jesuit High eked out a 14-13 score to even things up again. A needed win over Brighton didn't come as it had the first time, and as a result the jay-vees ended the season with a "so-so", 2-3-1-record.

The basketball stars from the school on the Ridge did another fine job this past season as the varsity won thirteen and lost five games. The Ridgemen displayed good basketball playing throughout the season ending in a three-way tie for first place in the first half, and tied with East Rochester for first place in the second half. Both times Webster was eliminated in the playoffs.

Irondequoit, Penfield, Honeoye Falls, Lyons, and Hilton were the traditional scapegoats with each squad losing two games to the Ridgemen. Brighton, the cellar club of the AA league, turned the tables on WCS in the last decisive game of the second half. A win would have meant an unchallenged second-half title for the Ridgemen but, as sometimes happens, the vanquished turned victor and Bill O'Rourke's charges went down under a 49-48 score. The game with East Rochester to break the resulting tie was played at the spanking new Ritter-Clark gym of RIT and alas the Ridgemen lost their chance for fame on the tail end of a 56-54 decision. A last-second tip-in by Webster failed to fall through and as a result—nonentity.

Webster's jay vee basketball squad showed off another fine seasonal record with fourteen wins and four losses on the books as Coach Oscar Cochi's boys did their best to set an example for the varsity. The JV's never lost two in a row and never did both the varsity and jay vee teams lose in the same night except to Pittsford in the last game of the year.

The season for the Cochimen was much the same as for the varsity in that the JV's also lost to an underdog. Hilton was their spoiler but the game had no actual bearing so the win over the Peaches later in the season served to salve the wound.

The second team to defeat the junior Ridgemen was Honeoye Falls in the second half of play. The Fallsmen won by only two points though. East Rochester's Medium Bombers nipped the Little Ridgemen by one point, 47-46, and as mentioned before, Pittsford's Knights took Webster by a one-point, 53-52 decision in the last game of the season.

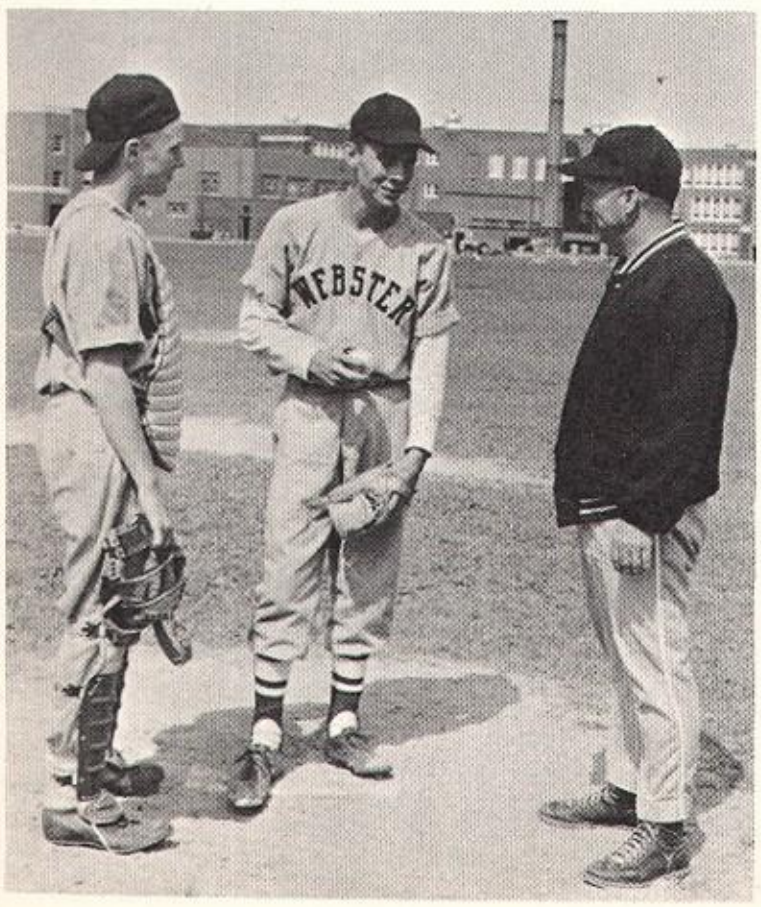
BASEBALL—sure sign of spring along the Ridge!

N. Van Horn, A. Kachmaryk, Mr. H. Hatt.



Herb Hatt's 1955 baseball squad turned in a very favorable six win and four loss record which helped to make up for the losses WCS took at the hands of the same teams in other sports.

Hilton's Peaches were "canned" in the first game but the next two were lost, first to Fairport and then to Brighton. Wins over East Rochester and Spencerport and a revenge defeat of Fairport helped to even things for the Hattmen.

Two in a row were again lost, to Irondequoit and Brighton, but the last duo of the season were won over Brockport and East Rochester. Winning 60% of the games isn't bad at all, we say.

TENNIS, too, gives WCS a chance to compete with other schools.

Consisting mostly of experienced seniors, coach Boyd Campbell's tennis squad got set in June to put in another good year for WCS. Early practices were spent brushing up on the basic fundamentals with the tricky shots being picked up later.

The team played many of the county's top squads including Brighton, East Rochester, Irondequoit, and Penfield, with good showings in all of them. Next year's team should also stand out since some of the members on it will have two years of experience.

WRESTLING continues "to hold its own" as a varsity sport having many matches.

Coach Robert Terbush's wrestling squad was active in its second year of existence as the grapplers wrestled a number of tough teams.

Composed mostly of veterans from last year's team, the struggle and groan aggregation used their experience to good advantage. Next year's squad should still be strong since only about four of the team will graduate this June, leaving a strong nucleus behind.

Volleyball took its place as an intramural sport again this year at WCS with hundreds of boys taking part in gym classes.

This team of expert players was chosen by Mr. Herbert Hatt to represent Webster in competition against schools in the area. As usual WCS came out close to the top in league competition.

VOLLEYBALL shares honors with TUMBLING at WCS.

Tumbling, a sport which has come into its own at Webster only in the last few years, attracted considerable interest in boys' gym classes.

Although there was no PTA exhibition this year, this group of ambitious lads worked hard to master the skills of handsprings, flips, parallel bar work, and handstands. In recognition of their work in this difficult sport their picture appears here.

The eighth grade basketball team, coached by Mr. Charles Brown, put in another season of developing the athletic skills of junior high boys in an effort to strengthen future basketball squads.

The team plays various area schools which have eighth grade squads. This year the season didn't start till mid-January; so the team won only about half the games against the more seasoned squads of other schools. This fact did little to hamper the coming stars of tomorrow; they just worked harder.

job for members of LEADERS' CLUB.

Refereeing girls' intramurals, managing girls' sports and planning playdays at Webster are just a few of the numerous duties which leaders' club members perform during the year. Under the direction of president Elinor Neubert and secretary Adele Wheeler, leaders rendered valuable services by aiding physical education instructors, Miss Joyce Maunder and Miss Marion Noble. Without the efficient planning of all the members and the guidance of Miss Maunder, the girls' intramurals program could not have been so successful.

Participation in the girls' sports program hit an all-time high this year with more than 75 per cent of the high school girls taking part in the ten sports offered.

Almost before school had settled down for the new year in the fall, the fields were overrun with girls dribbling soccer balls or swinging hockey sticks. Tense games on the basketball court and at the bowling alleys filled the winter months. March arrived amidst wild and exciting volleyball games. Ping-pong, badminton, tennis, and archery brought laurels to skilled players as softball hailed the coming of June.

Girls' sports manager Elinor Neubert recorded the girls' points and kept things running smoothly as Miss Joyce Maunder supervised the well-oiled machinery of the versatile intramural program.

play ball — play SOFTBALL

While Webster's varsity toiled on WCS's big baseball diamond, games of lesser importance but with just as much spirit were being waged among the high school girls' intramural softball teams.

Five nights per week teams of junior or senior high girls competed just for the fun of it. Although the games were strictly intramural, they easily rivaled the varsity in spirit and competition.

"A program tailored to fit the needs of younger girls" describes the sports agenda for the junior high directed by Miss Marian Noble.

This year approximately 100 participated, comprising about 70 percent of the junior high girls.

These girls may participate in six of the ten senior high intramurals, including four team sports and two individual sports. In soccer, basketball, volleyball, and softball, they develop skills which will make them valuable team members later on. Tennis and badminton matches encourage them to become proficient in an individual sport.

By taking part in these activities, girls can earn points toward the first high school award for girls' sports.

We can't end our story of life along the Ridge without a mention of the JUNIOR HIGH GIRLS.
